THE PHELPS SCHOOL

Malvern, Pennsylvania

Mr. and Mrs. Phelps

Letter From The Headmaster

This year completes the 23rd year of Phelps; beginning in 1947 with 32 boys we have grown to 180. Extensive improvements have been made to the school; the last construction projects being the completion of Beattie Hall last year, and an addition to the gym of a guest locker and shower room completed this year. In addition, all buildings and the barn have been equipped with independent fire and smoke alarms; thus, our physical plant is in excellent condition and provides the most comfortable and aesthetically pleasing surroundings for productive school.

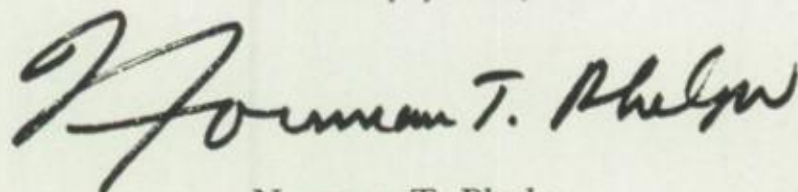

We have continued to expand our staff, and it is only through their dedication and expertise that you are able to do so well in your academic studies and in developing a sense of duty and character, which is so important in these troubled times. You have continued to uphold the high traditions established by previous classes, and this year's Senior Class is the largest Phelps has ever had. Many of you have been with us for five years, and for two, six years. Your seriousness of purpose and dedication to your future is to be commended, and I am delighted with the great number of colleges to which you have been admitted for next September. Your spirit is high, and your citizenship for the year has been outstanding.

To the Alumni Association, I again express my deep appreciation for the splendid task which you have performed. Quite frankly, without the drive, push, energy, and interest of the Alumni Association our building program would never have gotten under way. Further, you have inspired the loyalty of the friends and parents of the school to such an extent that The Phelps School Development Fund Drive for 1969-70 has presently surpassed \$50,000. This will help us to reduce some of our debt and afford us an opportunity to expand our sports facilities: necessary all-weather tennis courts.

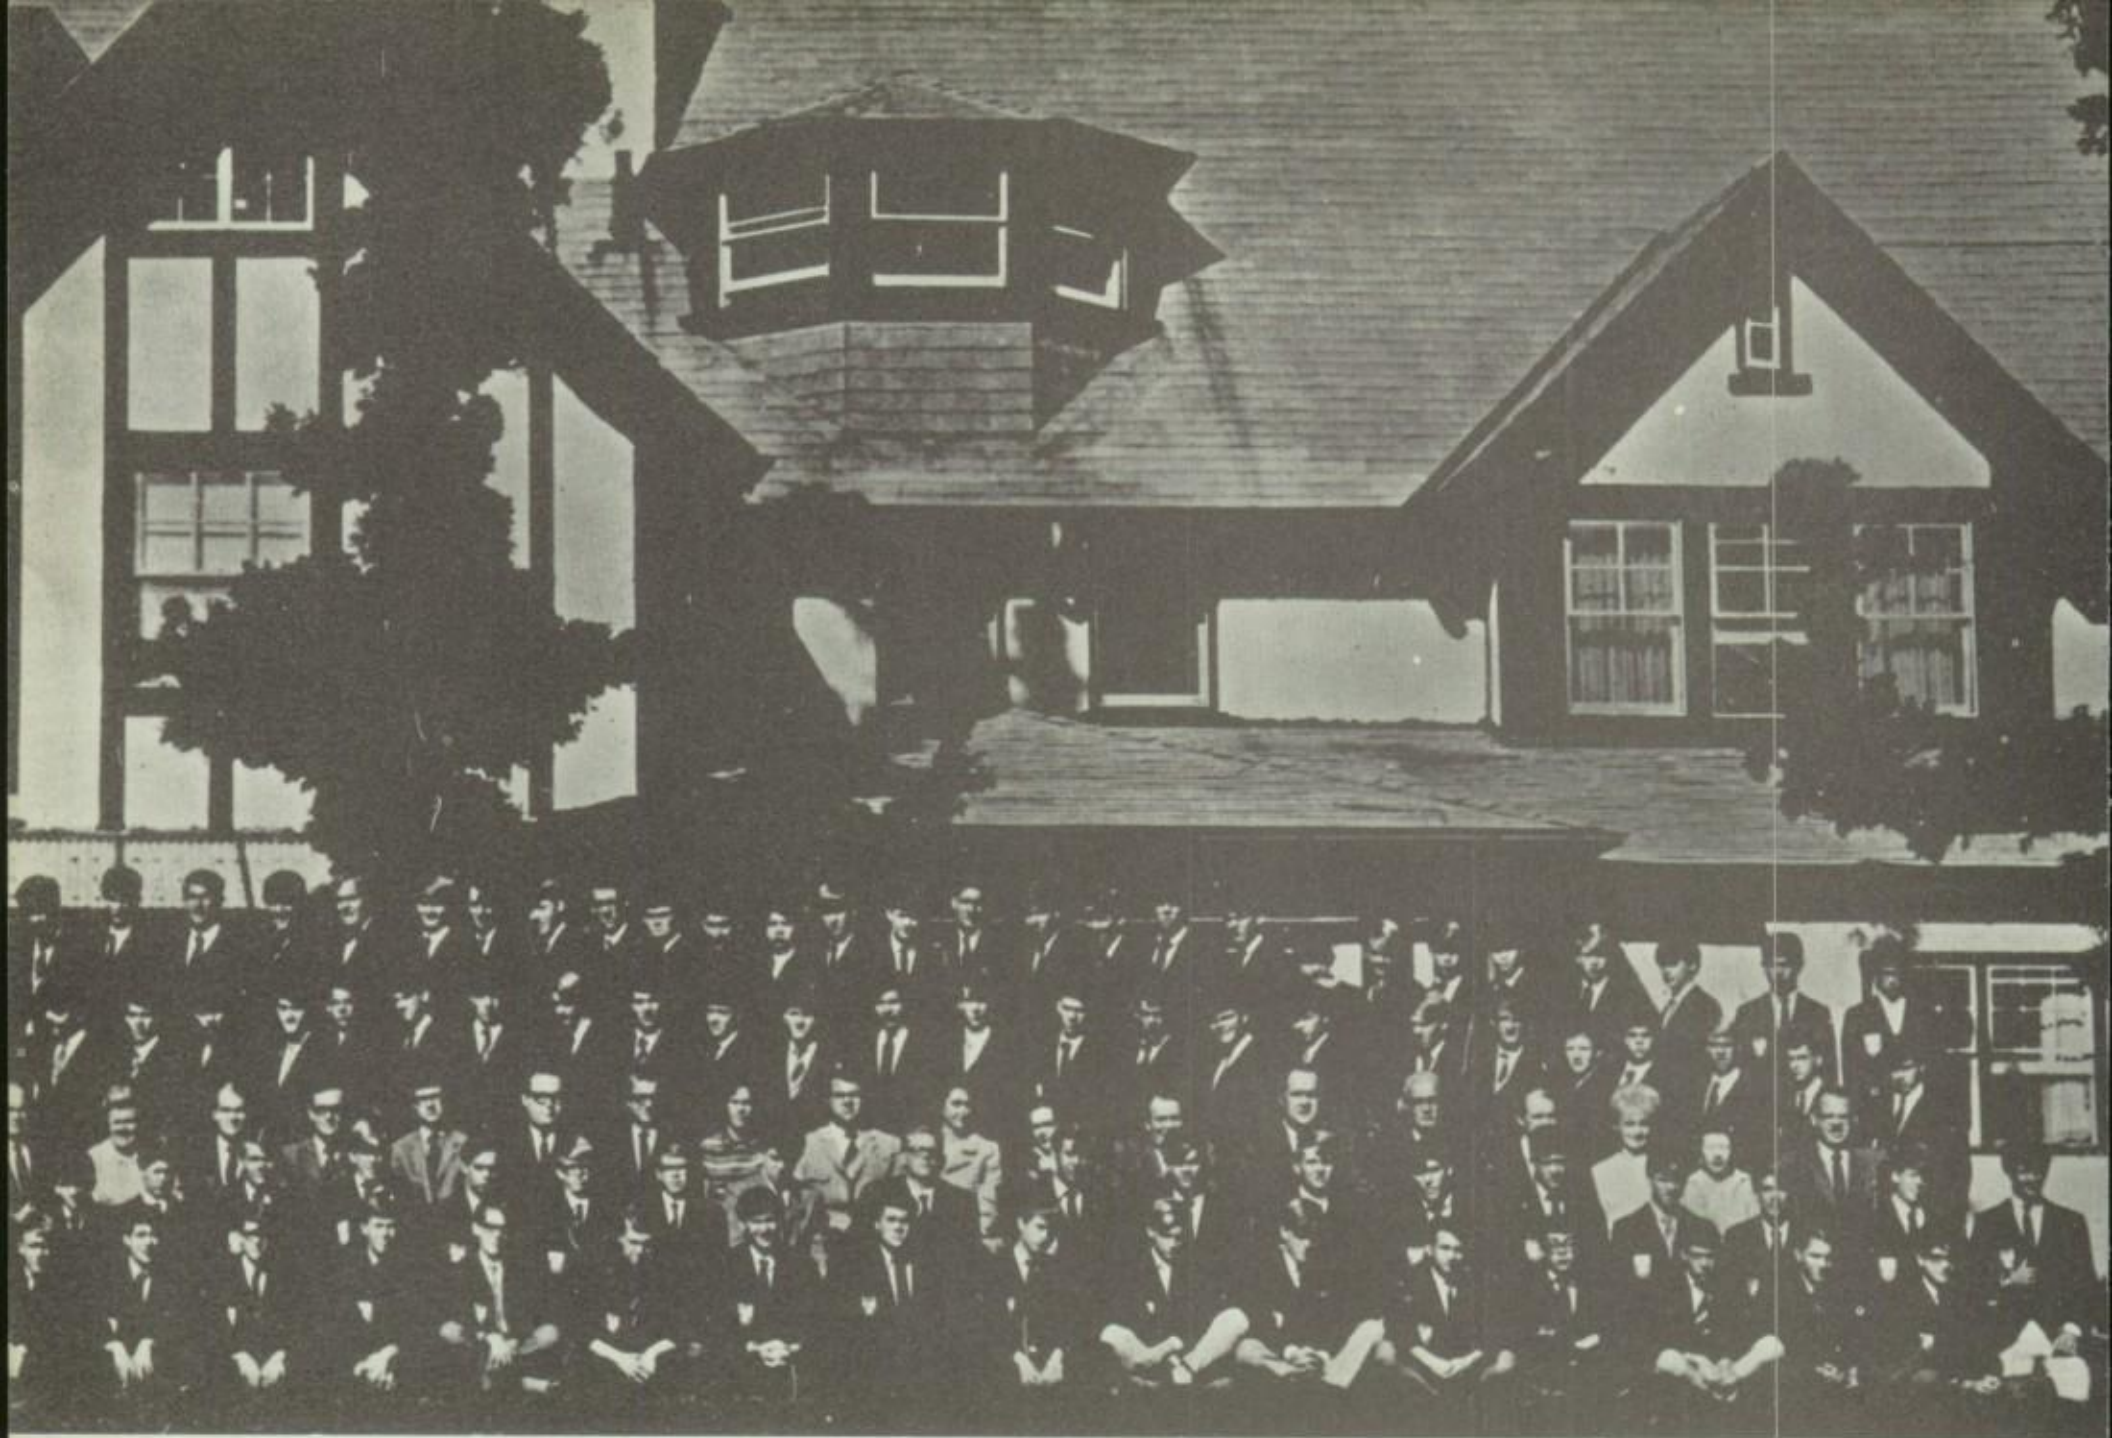

To the student body and, especially, the Hildene Staff of 1969-70, I extend sincere greetings and congratulations. Your production is truly an outstanding one; in fact, the best in the history of Phelps. Not only do I know you have enjoyed the experience, but it has been extremely worthwhile and educational, and I am confident that in the years ahead from time to time you will look through the yearbook with a great sense of pride knowing what part you played in this magnificent production. To each and all of you, congratulations for a job well done.

As to the future plans of Phelps, we are consolidating our position; we have no growing pains, and will continue to build upon the solid foundation we have laid during the past 23 years. Our dedication is truly to the individual, and the school motto, "Veritas Sine Timore."

Sincerely yours,

A handwritten signature in cursive script that reads "Norman T. Phelps". The signature is written in dark ink and is positioned above the printed name of the headmaster.

Norman T. Phelps,
Headmaster

Rob,
To A quiet
Student, you
did a fine job
in history this past
year - have a good
summer and looking
forward to seeing you
in the best wishes

DEDICATION

The members of the graduating class of 1970 take great pride and pleasure in dedicating the 1970 Hilldene to a Master for whom they have great respect and admiration. Mr. Timothy R. Phelps, this yearbook is dedicated to you.

Mr. "T," as he is better known to everyone, graduated from Phelps and furthered his education at Moravian College, where he earned his Bachelor's Degree in history. Upon completion of his college education, he joined the Phelps School Faculty and presently teaches courses in United States History, Pennsylvania History, and geology. His enthusiasm for the subject matter is reflected through his students each day as they emerge from his classroom.

Mr. "T" is the Senior Housemaster at the Cabin, and he is also the Assistant Riding Instructor, and is seen afternoons leading the advanced riders along the trails.

The graduating class would like to thank Mr. "T" and would like to wish him the very best of luck in future years.

In Loving Memory

MR. R. H. PHELPS

Mr. R. H. Phelps was a close, personal friend to many at The Phelps School. He was a benefactor, and a member of the Board of Directors. Mr. Phelps will be greatly missed by his family and those who knew him so well.

"Mine says, "You're fired". What's yours say?"

This moonshine will get 'em.

Now, now...Frank!

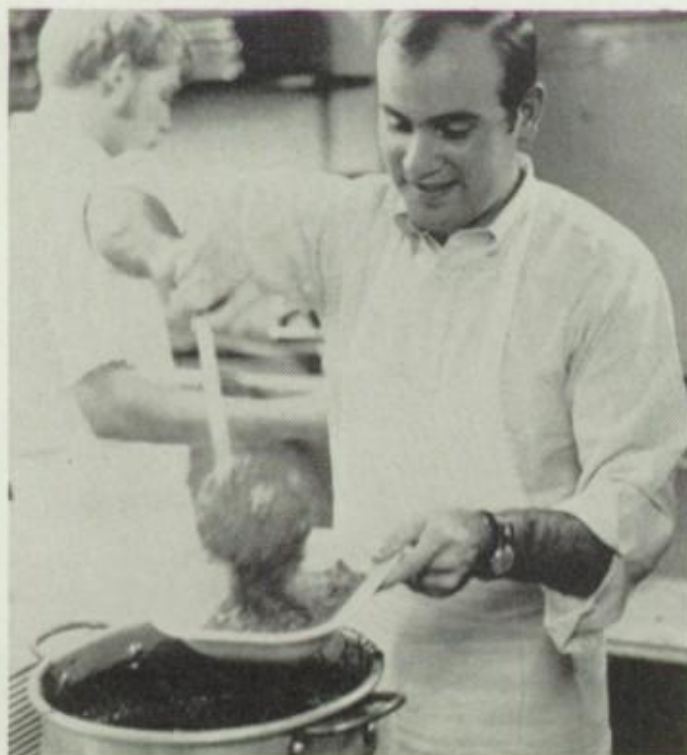

I have to go.....

Hmmmmmm...Does she or doesn't she???

X 'em up boys

If Mommy could see me now!!!

"You've got to get organized"... "You've got to get organized"
... "You've got to get organized"

"I'm playing Mommy tonight!"

TONIGHT!

Here comes the BIG DOG!

But you said, "Bring your family".

"Hmmm...wonder what Star's doing tonight?"

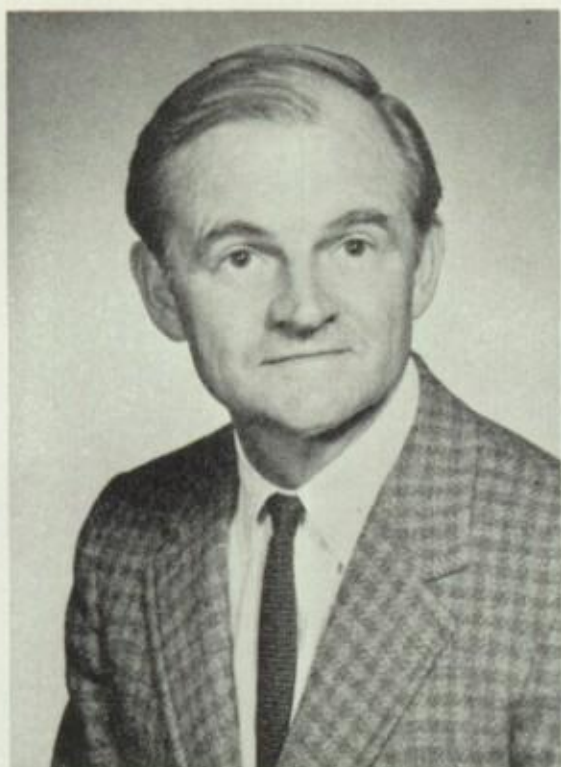

The blahs.

TASTE GOOD?

BEATTIE HALL

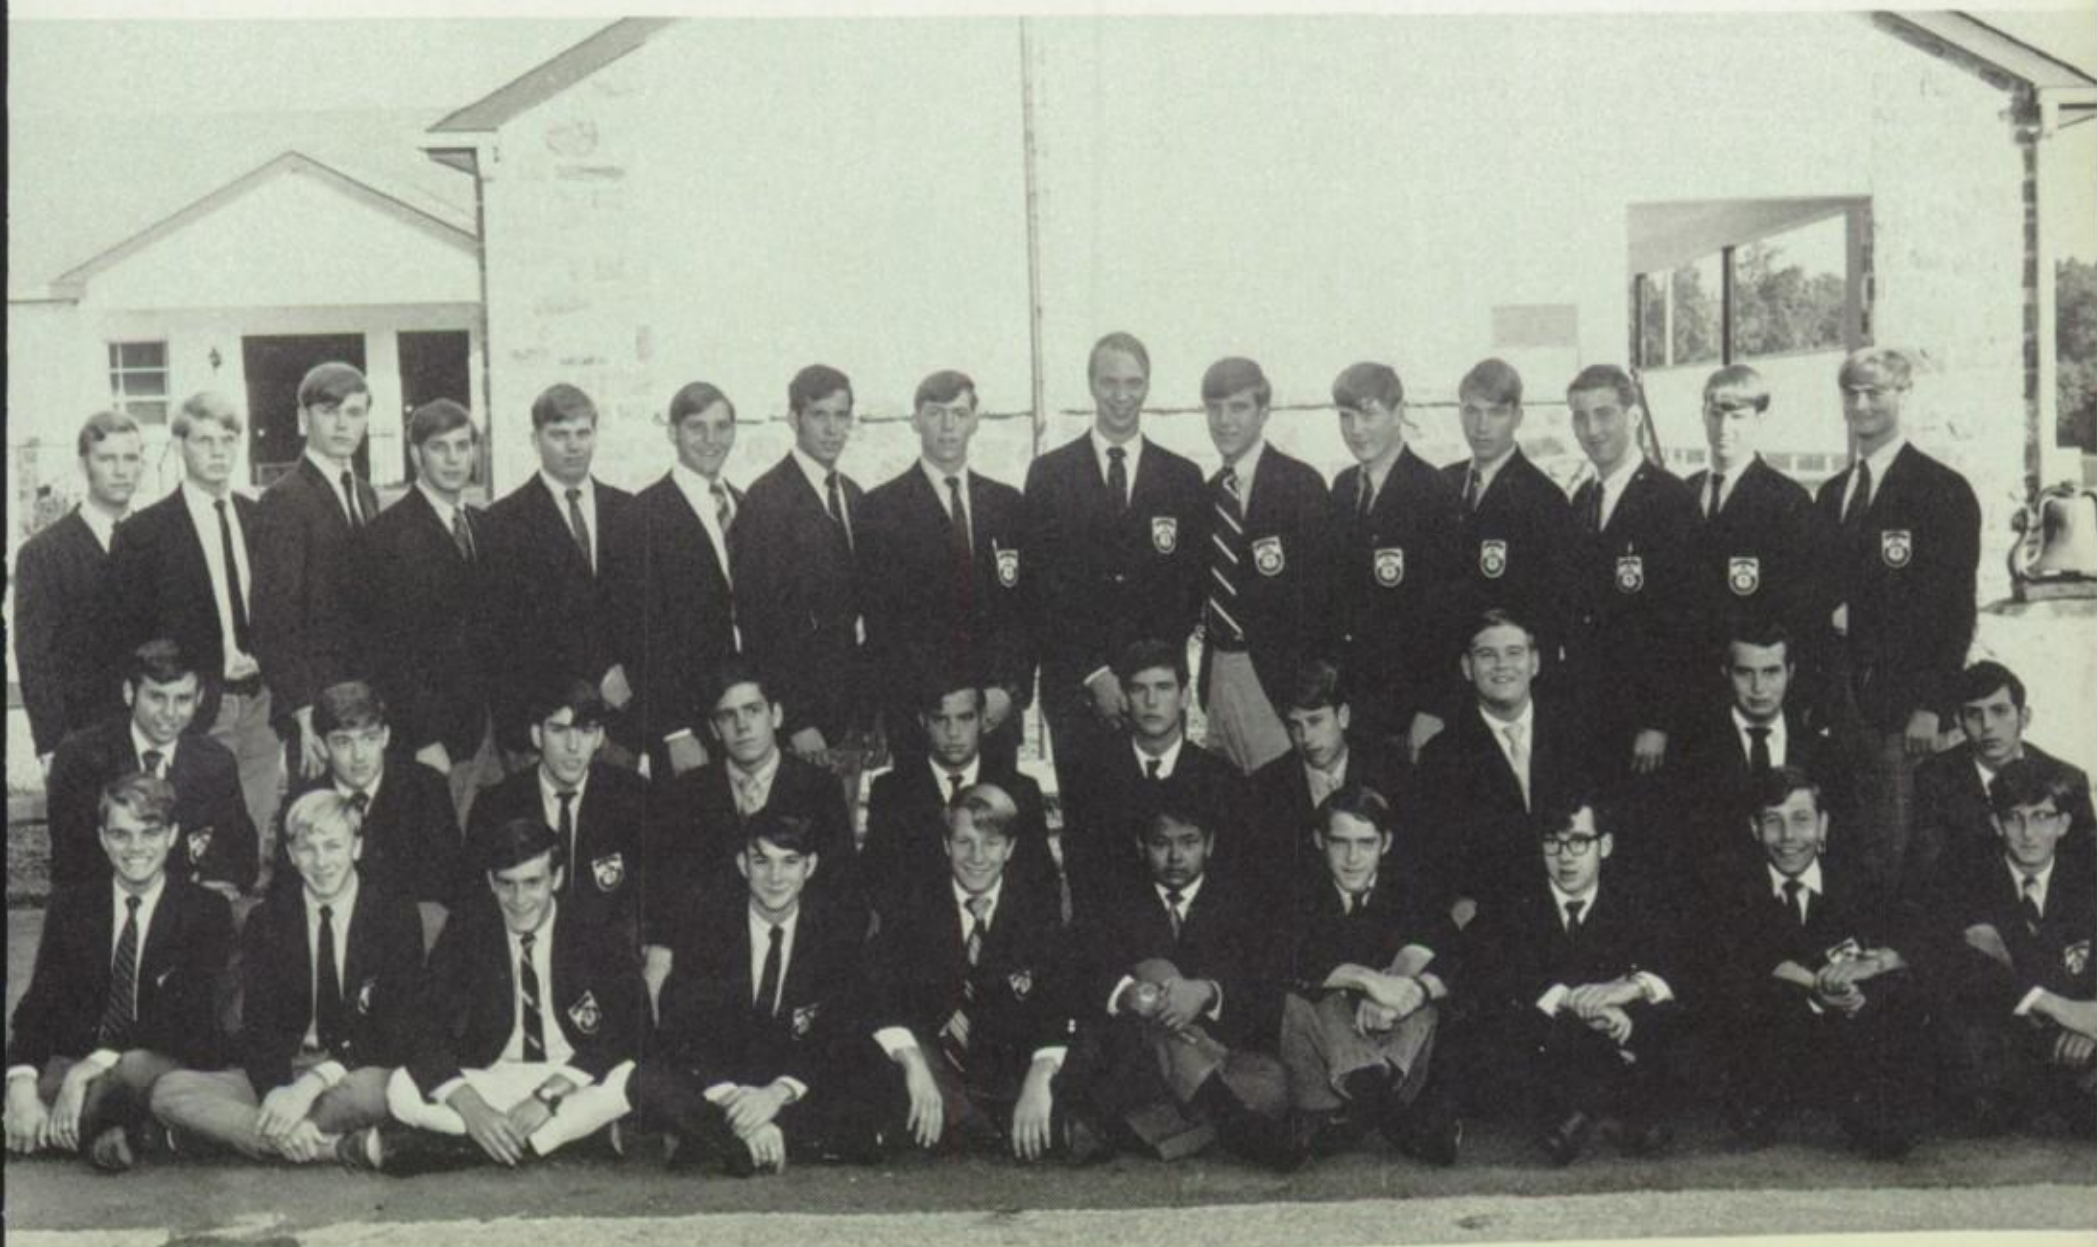

Mr. Howard H. Lyon, Senior Housemaster- Second Deck
Mr. John L. Rugh, Senior Housemaster- First Deck

Proctors: Richard Day, David Roberts, Marc Smith, Bob Stevens
Steve Pierce, Anthony Modestino.

This year, Beattie Hall was divided into two separate dormitory sections- First Deck and Second Deck. Mr. Rugh, the Housemaster of First Deck, was assisted by three proctors: Richard Day, Marc Smith, and Anthony Modestino. The Housemaster of Second Deck, Mr. Lyon, also had three proctors: Dave Roberts, Steve Pierce, and Bob Stevens. The dormitory had a successful year and one of the highlights was when both sections joined in and celebrated Mr. Lyon's birthday and gave him a new television set. Mr. Lyon is better known around campus as "Bird" and he is greatly admired and respected not only members of Beattie Hall, but by all the boys at Phelps. The Beattie Hall residents would like to thank both Mr. Lyon and Mr. Rugh and also express their appreciation towards Mrs. Rugh.

ROSENGARTEN HALL

Rosengarten Hall is the main building on the campus. The office of the Assistant Headmaster, the Financial Secretary's office, the Lucas Library, and the Alumni office are all in Rosengarten. The second floor contains the dormitory accommodations for thirteen boys and two proctors. This was a good year for the resident of Rosengarten and the proctors, Jim Lindsay and Peter Costello are to be commended for having done a fine job.

HILLTOP

This was a successful year for the resident of Hilltop. Mr. Ross Simmons, the school Librarian, and Mr. Paul Thomas, were the housemasters. The dormitory had an exceptionally fine record in the weekly Headmaster's inspections. There were sixteen boys in Hilltop this year and they were under the fine proctorship of Mark Bower and Jim McCron. The dormitory also had another "first"- they decorated the building with Christmas lights before any other dormitory.

Thirty-seven Phelps boys live in the Farmhouse. Most of the boys moved into the Farmhouse this year after having spent their first year in the Homestead. The Senior Housemaster, Mr. Harvey, spent many days improving the physical appearance of the dormitory last summer and takes great pride in his dormitory. He is devoted to each boy and to the school. Mr. Harvey's Assistant Housemaster this year was Mr. David Kosik, who joined the Faculty this year. The boys would like to thank both masters and their proctors, Mike Diehl, Stew McComb, Frank Hollendonner, and Richard Curlee.

CABIN

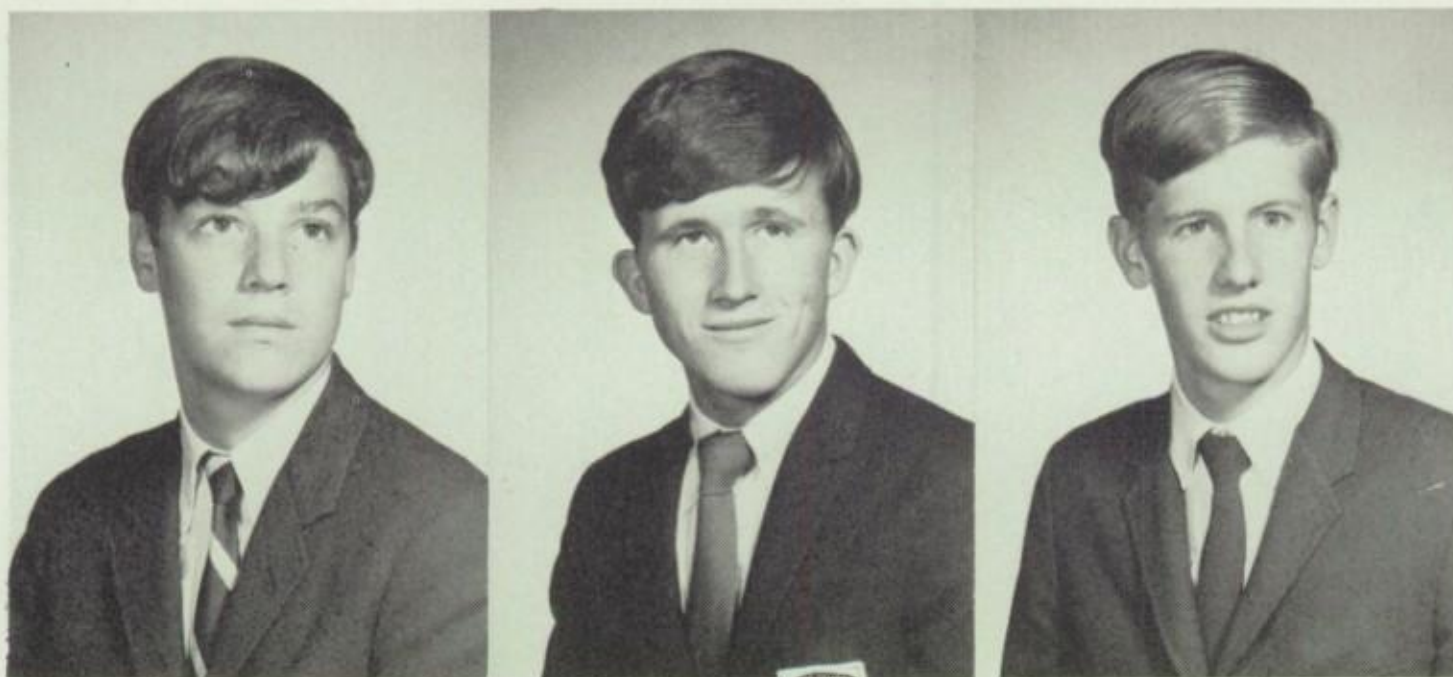

Mr. Timothy R. Phelps, Housemaster

Proctor: Ralph Tito

There were eleven boys in the Cabin this year. One of the surprises for the residents was the fact that the building was carpeted during the summer vacation. Several of the boys in the Cabin were honor students. The Housemaster, Mr. Timothy Phelps, took great interest in each boy and they would like to thank him. The proctor, Ralph Tito, is to be commended for having set a fine example for the residents.

GAINS' ANNEX

The smallest dormitory on campus is the Gains' Annex, accommodating only six students. Only twice in the past seven years has this dormitory ever received less than first place in the weekly Headmaster's inspections. They are to be commended, indeed, for such a splendid record. The boys in the Annex are very fond of Mr. and Mrs. Gains, who both give a great deal of their time and consideration to each boy. This year's proctor, Kirk Barton, set only the finest example for the boys.

Homesickness does not occur too often at Phelps, but when it does occur, it is usually confined to the Homestead- the dormitory for the youngest boys. These boys arrive in September and must make rapid adjustments to life at Phelps and they must learn to live with their peers and to respect authority. They have their "ups and downs" but somehow, between September and May, they make considerable growth academically, personally, and socially. Mr. Phelps, Jr., the Senior Housemaster, and his wife and daughter reside on the first floor. The Assistant Housemaster, Mr. Rinehimer has an apartment upstairs. The boys would like to thank these fine people for their help and guidance, and they wish to thank their four fine proctors: Sandy Sumner, Steve Guenst, David Rose, and Jack Mehler.

This year's Student Council was the largest council in the school's history. Under the able leadership of Robert White, the council members carried out their duties and responsibilities most admirably. The council, working in close cooperation with the faculty, enforced the school rules and regulations, and set only the finest example of leadership. This year the council sponsored one of the finest Christmas dances. The advisor to the council was the Headmaster.

The Hilldene is the Phelps School yearbook. The yearbook staff is divided into two groups: the editorial staff, comprised of seniors, who are appointed by the faculty advisor, and the lay-out staff, consisting of underclassmen selected by the editorial staff. To produce a yearbook of such high quality as the 1970 Hilldene requires a considerable amount of time and effort on the part of each staff member. This year's Editor-in-Chief was James Starensier. The editorial staff: Robert White, Kirk Barton, Marc Smith, Greg Pennington, and Jack Kieser. The lay-out staff: Richard Day, Bruce Boyle, Sandy Sumner, Steve Guenst, and Clyde Armstrong. The faculty advisor was Mr. Rinehimer.

Sundial

Our school paper is called the Sundial, and is strictly a student publication. Any student may contribute an article that he feels would be of interest to the student body. Each edition consists of articles pertaining to dormitory activities, club news, and sports news, as well as farm activities and riding news. There are also special articles, such as 'Master of the Week', and the school gossip column 'Dear Farfel'. Gordon Lecks was this year's Editor-in-Chief assisted by Kirk Barton, and William Conderman. The advisor was Mr. Rugh.

School assemblies are an integral part of school life and at Phelps this is no exception. Each assembly is planned and conducted by a student staff with the aid of a faculty advisor. Both the faculty and students enjoyed the programs this year. We are fortunate to have heard Michael de Camp- an oceanographer, Cleveland Grant- a naturalist and chief contributor to Disney productions, a representative from the FBI, a representative from the K-9 Unit of The Philadelphia Police Department, and the Princeton University Tigertones. Several faculty members gave fine presentations and one student, Richard Day, showed surfing films. Another highlight was when Mr. Melcher set up his radio set and spoke to Senator Barry Goldwater, directly from our assembly.

Front row: Counselman, Slaughter, Pearce, Rundle, Phatranavik, Banzhoff, Heldman, Sanderson. Middle row: Starensier, Wido, Loomis, Oliphant, Pierce, H. , Lecks, Haas, Perry, Bobisuthi, Hand, Harding. Standing: Advisor Phelps, Weigelt, Armbrrecht, Jones, Curlee, Toland, Pankow, McCron, Moody, O'Connor, R.

Officers Pierce and Lecks present Mr. Phelps with model rifle honoring twentieth anniversary of the Rifle Club.

This year marks the twentieth anniversary of the Phelps School Rifle Club, which is affiliated with The National Rifle Association. This was a good year for the members of the club, many of whom earned awards from the Association. The boys met at the rifle range, which is located near the Homestead, on Saturday afternoons. There, they shot rounds of ammunition- each boy competing against himself. Sometimes, they even had an opportunity to compete against the club's advisor, Mr. Phelps, Jr. After each meet, the members returned to the arsenal and were instructed in proper care of rifles by the advisor.

Trap

On Sunday afternoons, the members of the Trap Club meet with Mr. Mount. This sport requires considerable skill as one can plainly see for it is quite a feat to fire at small clay pigeons that have been hurled into the air. The club members truly enjoy the sport and would like to thank Mr. Mount.

Kneeling: Morgan, Haas, Pierce, H., Adams, M., Simon, Catalano, Oliphant. Standing: Advisor Mount, Buescher, Vassar, Perry, Hand, Hollendonner, F., Smith, Wido.

Science Club

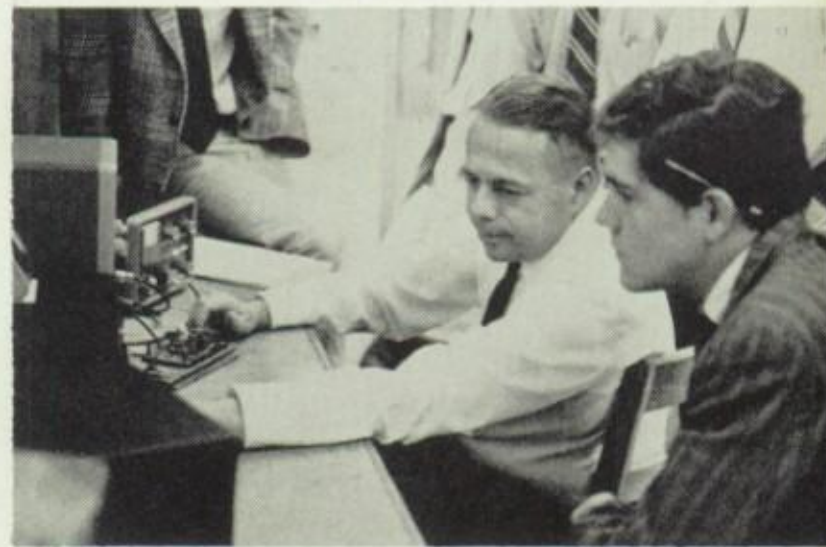

Kneeling: Pena, Slaughter, Schneider, Woodruff, Pierce, H., Fox, Morgan, Coughlin. Standing: Advisor Rettew, Berger, Sanderson, Costello, Stewart, R., Starensier, Barton, Pierce, S., Kieser, Pennington, Augspurger, Hickman, Bieber, Lecks, Advisor Melcher.

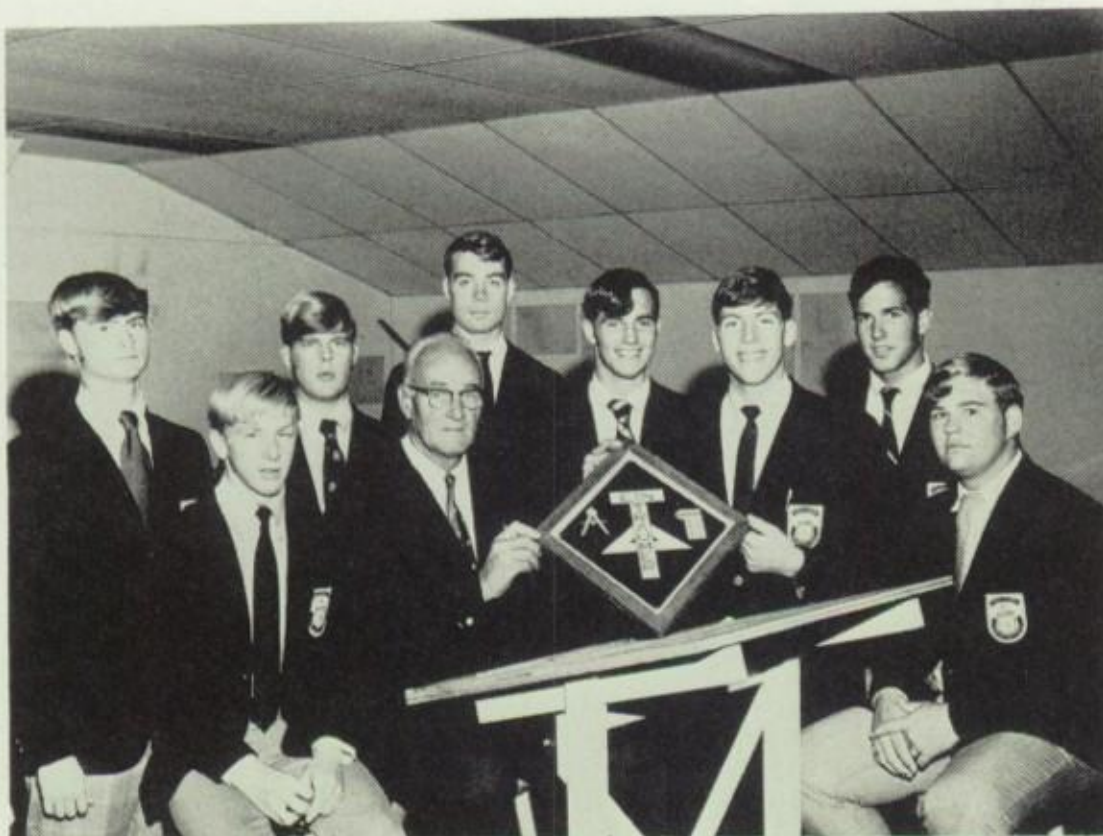

The Science Club is divided into two groups: the radio group and the biology group.

The members in the biology group raised several varieties of small animals, raised various kinds of plants, and even dissected snakes upon occasion. The biology group's advisor was Mr. Rettew.

Mr. Melcher is the advisor of the radio group and taught the members of this group a great deal about radio theory and code. The boys learned how to radio messages and were fortunate to have had Mr. Melcher as their instructor. Some of the members were fortunate to have seen Mr. Melcher's elaborate set-up at his home.

Seated: Conderman, Advisor Gains, Culp. Standing: Roberts, D., Boyle, Plymly, Day, Pierce, S., Stevens.

Ein Traumer

Those boys who are taking mechanical drawing become interested in Ein Traumer. However, only those students who have earned a 'B' average are eligible for membership in this club. The boys are fortunate to have Mr. Gains as their advisor, for he is an expert in the field of mechanical drawing. Once again the boys visited The Master Etching Company in Fort Washington, Pennsylvania where they saw the school emblem, the Ein Traumer emblem, and the Hildene emblem etched into metal.

Riding

The riding program is under the direction of Mr. John Miller, the Riding Master. His assistant is Mr. Timothy Phelps. Mr. Miller instructs the beginners each afternoon in the riding ring, while Mr. T. Phelps takes the advanced riders out on the trails. Several of the boys have their own horses at the school. Each rider is taught the proper care for the horses and they are responsible for the cleanliness of the barn. The riders travel to Harrisburg each year for a horse show and they also sponsor the Phelps School Horse Show in May.

Seated: McClure, Sillars. Standing: Emberlin, Mr. Simmons, Librarian.

Library

We are very proud of our library at Phelps. The Librarian, Mr. Simmons, has made numerous improvements since he first came to Phelps two years ago. The entire library has been re-painted, and decorated. The shelves have been stocked with new books, and each boy is able to find a wealth of material pertaining to his favorite subject. The entire reference section has been expanded and audio-visual aids have been added to the library and are readily available to faculty and students. The boys enjoy using the library, particularly during their free periods.

Art

Seated: Hamilton, Pankow, Mrs. Liebert, Modestino, Bolanowski. Standing: Sanderson, Loeffel, Starensier, Barton, Taylor, Oliphant, Hollendonner, LeGates, Dutcher.

The Art Club is a newly organized club at Phelps. The Advisor to the club is Mrs. Liebert, the art instructor. The members of the club have a sincere interest in the various phases of art and many of the members have had their works exhibited in the dining commons throughout the year. The boys have visited several art exhibits in the area, and have been to the Museum of Art in Philadelphia.

Front row: Starensier, Loeffel, Johnson, B., Diehl, McComb, Hickman, Pierce, H., Dewey, Stott. Standing: Beasley, Berger, Lindsay, Rose, Bobisuthi, Hollendonner, W., Stevens, Oliphant, Hollendonner, F., Advisor Harvey.

Photo Club

The Photography Club is for those boys who are interested in taking pictures around campus. Many of the members develop their own pictures in the dark room. Several members have contributed photographs to the yearbook and others have posted candid shots on the school bulletin boards for the students enjoyment. Next year, the club intends to sponsor a photo contest. The members wish to thank their advisor, Mr. Harvey.

Spanish Club

El Club Espanol de The Phelps School esta organizada de manera que los estudiantes de espanol recibieran un entendimiento mas completo de la cultura espanola e hispanoamericana por medio de peliculas y grabaciones espanolas. Ademas de eso, todas las reuniones y las actividades del club estan dirigidos en espanol para que los estudiantes consiguieran una exposicion mas practica a la lengua y la civilizacion espanolas. El senor Mariani es el consejero del club.

Seated: Bryant, Costello, Hickman, Kieser, Dickson. Standing: Lea, Day, Guent, B., Culp, Curlee, Heldman, Ballenger, E., Advisor Mariani.

Choir

The choir has had another good year under the direction of Mrs. Bustard. The choir consist of those boys who are genuinely interested in singing, and willing to give some of their valuable time to rehearsing. Once again the choir presented a very fine Christmas program, an Easter program, and they sang at the commencement exercises. The choir would like to take this opportunity to thank Mrs. Bustard.

Cache

The Cache is the school store, and is open three times daily. Here, the boys may purchase food, soft drinks, and various toilet articles. The student manager was John Read, assisted by Gordon Lecks, Jim Powers, Roger Stewart, and Jon Miller. The advisor to the cache crew was Mr. Tubbs, the school's Financial Secretary.

Mailbox

Book Store

The bookstore is where boys may purchase textbooks, notebooks, or other school supplies. The bookstore is open three times a week and is managed by Marc Smith and Steve Guenst. Mr. Tubbs supervised the staff.

The mail is delivered to the school twice daily and each boy anxiously awaits for each delivery to be sorted. The two boys responsible for the sorting of the mail this year were Bob Berger and Steve Pierce, under the supervision of Mr. Tubbs.

Cuisine

Conderman, Mr. Rapp, Chef Vivian, Mrs. Vivian, Mr. Grube, Sumner.

Thanks to our chef and his staff, the dining commons is always a happy place during the three meals. The food is excellent and each meal is served piping hot. The chef enjoys cooking and has a good understanding of the tastes of adolescent boys. Roast beef, steak, swordfish, and chicken are specialties and rarely does any food become wasted. The chef surprised us several times this year with home made bread.

Headwaiters

The dining commons is well organized during the meals largely due to the efforts of the four headwaiters. They must make certain that every boy has a seat, and that guests are seated as well. They must work closely with the cuisine staff, making sure the meals begin on time and that the waiters carry out their responsibilities at their assigned tables. Chuck Hickman, Ralph Tito, Steve Pierce, and Tom Stott are to be commended for the fine job they did this year.

Pierce, Stott, Tito, Hickman

Kitchen Crew

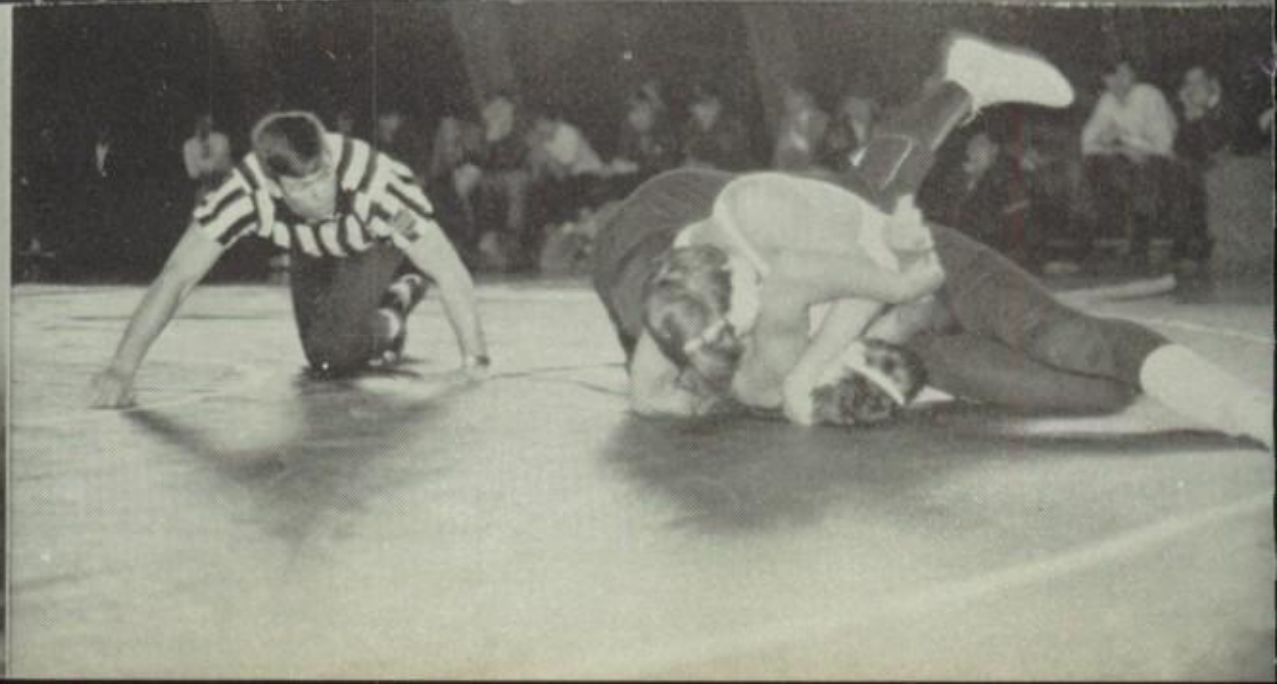

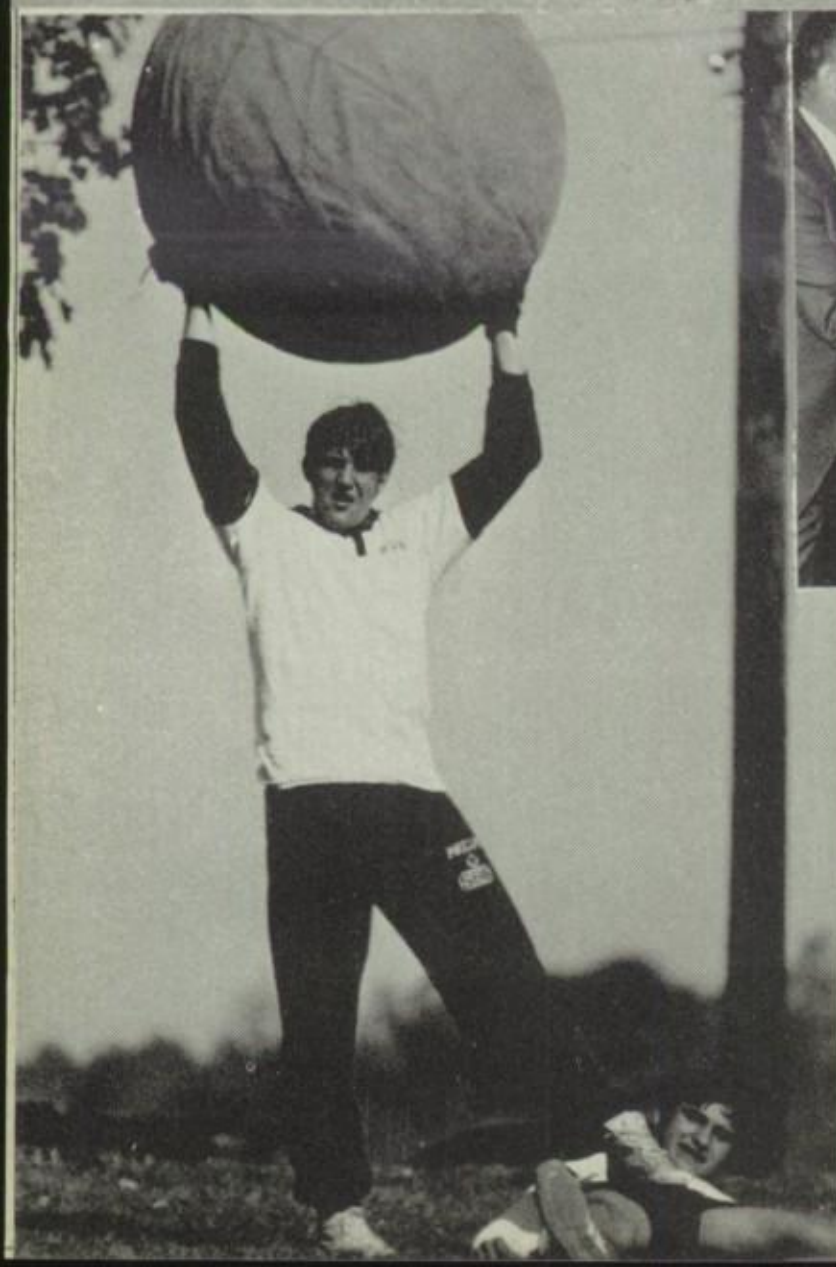

The kitchen crew is responsible for the sanitation of the eating utensils in the dining commons. These boys work very hard each meal and are well organized. There are times when the crew members must work additional hours to insure proper cleanliness. The kitchen crew is divided into four groups: the morning crew, the lunch crew, the evening crew, and the weekend crew. The entire school is devoted to each member of the kitchen crew.

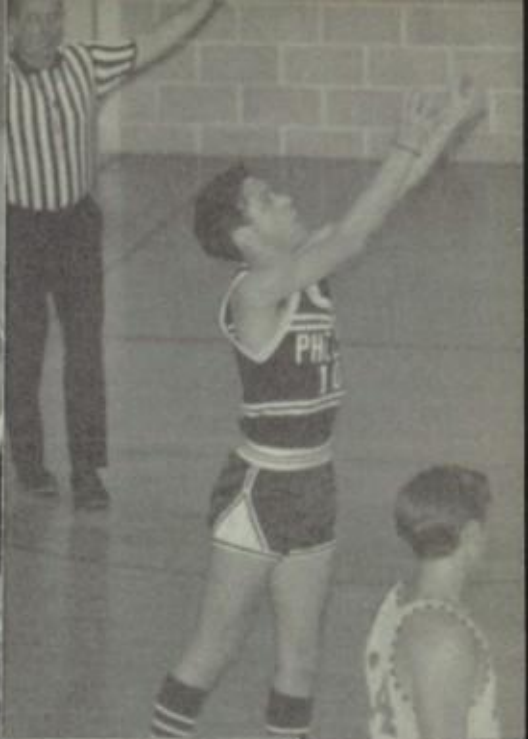

Wednesday Evening Crew

McCron, Read, Mr. Phelps, Jr., White, Guerst, Sumner, Conderman.

Our chef deserves a night out and on Wednesday evening Mr. Phelps, Jr. and his crew take on the tremendous task of feeding the entire school. They are to be commended for the superb job they did this year - it was not an easy task.

KEYSTONE CONFERENCE ----- 2nd Place

Kneeling: Harding, Chinoraksa, Sampson. Standing: Armstrong, Stewart, D., Roberts, O'Connor, R., Smyth.

TENNIS

Tennis has become a popular sport at Phelps. Realizing the interest, the school had two all-weather courts added to the facilities during the spring. The new courts are located behind Beattie Hall overlooking the entire farm area. Last year's team captured the Keystone Conference championship. Due to the early writing of this article, we are unable to publish this year's scores, but since many of last year's players returned with racket in hand, a good season seemed to be in order.

TRACK

The track team had a reasonably good year. Many of last year's lettermen returned and were valuable assets to the team. During the course of the season, the members spent considerable time and effort improving the track. Most of the team members participated in running events, broad jumping, high jumping, or javelin. The coaches this year were Mr. Rugh, Mr. Thomas, Mr. Wolfe, and Mr. Kosik.

Golf

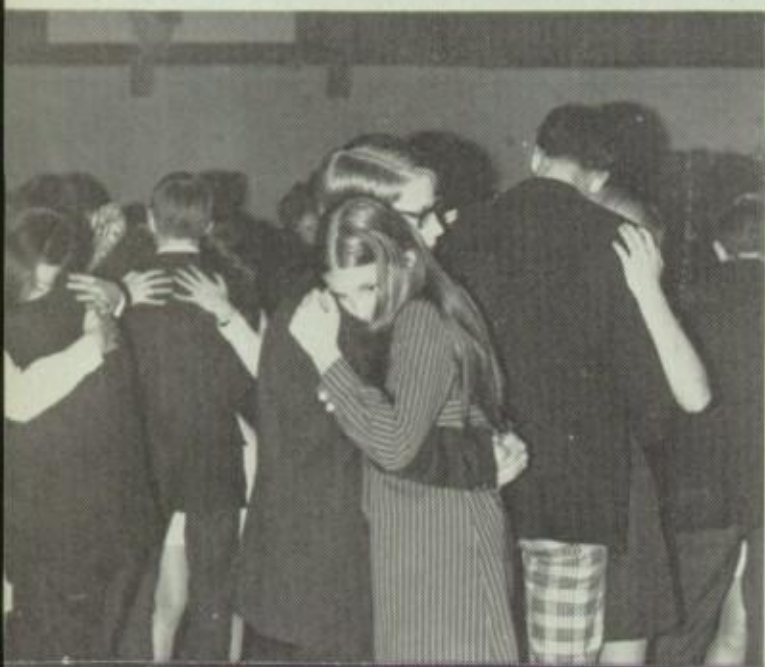

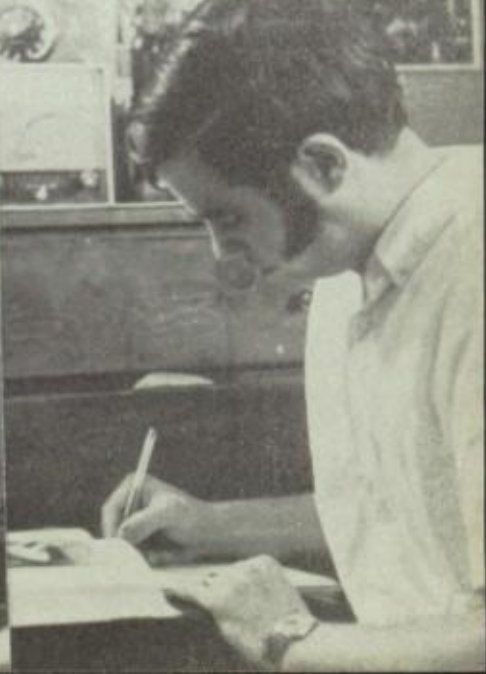

This year the golf team consisted of more than twenty boys. As in past years, the team practiced in the afternoons on the school's putting green and made use of the fields as fairways. Coach Melcher said that the team had a good year and felt that, even when the going became rough, the boys still fought hard and always played their best. Matches were scheduled with Haverford, Episcopal, Perkiomen, Hill School, and Great Valley. The golf team was permitted to use the facilities of the Malvern Country Club on Tuesday, Thursday, and Friday afternoons.

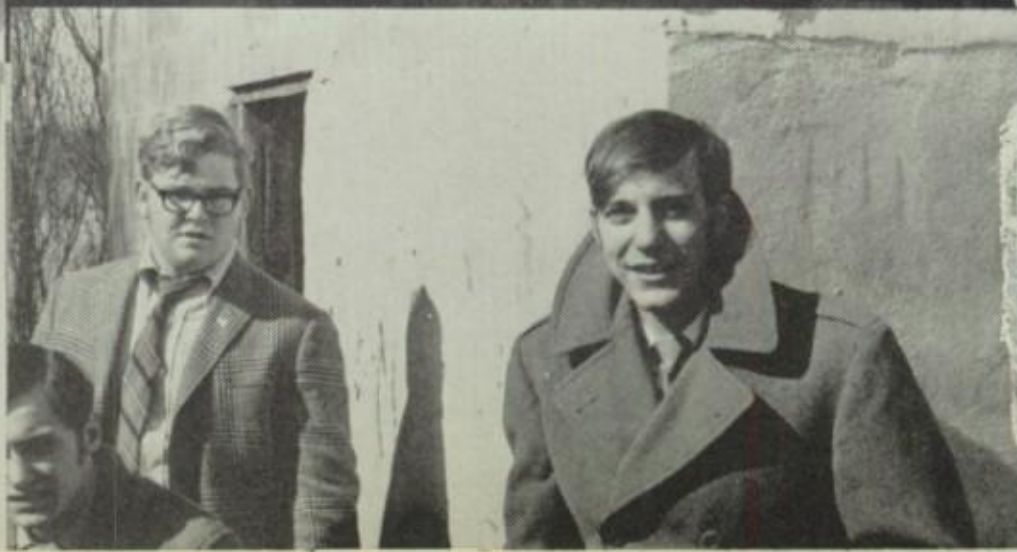

Varsity Club

Only those boys who have earned their varsity letter are eligible for membership in the Varsity Club. The members of this club promote school spirit throughout the year and lead the cheering at games. One of the club members is the "Lion" at our games and frequently mingles with the opposing team's cheerleaders. The club members are fortunate to be able to attend soccer, basketball, and football games at nearby colleges and universities. This was a good year for the Club and the advisor was Mr. Lyon, our Director of Athletics.

PATRONS

The 1970 Hildene Staff is indeed, most grateful to the following people who made a most generous contribution to this yearbook. Without their assistance, we would not have been able to publish the 1970 Hildene.
